

ArcGIS Online Training Guide

Overview

ArcGIS Online gives you everything you need to create interactive web maps and apps that you can share with anyone. With ready-to-use content, apps, and templates, you can be productive right away. No matter what you use—desktops, browsers, smartphones, or tablets—you always have access to your content.

ArcGIS Online Training Recommendations

The recommended training offerings for ArcGIS Online are outlined below; full course descriptions can be found at the links provided. Our complete Esri Training course catalog can be found here: www.esriuk.com/training and www.esri.com/training

Discover, Create, Share Content

ArcGIS for Desktop and Introduction to ArcGIS Online

- [ArcGIS 1: Fundamentals of ArcGIS 10.x for Desktop \(Instructor-led, 2 days\)](#)
- [Getting Started with GIS \(Web course\)](#)
- [Power Your Organisation with ArcGIS Online Maps, Apps, and Analytics \(Training Seminar\)](#)
- [An Introduction to your ArcGIS Online Subscription \(Instructor-led, 2 days\)](#)

ArcGIS Online Functionality

- [User Workflows for ArcGIS Online Organizations \(Instructor-led, half-day, delivered online by Esri Inc\)](#)
- [Creating and Sharing GIS Content Using ArcGIS Online \(Web course\)](#)
